Yes, you're still able to serve clients out of your region.

Hi Emily,

I noticed in the RFP that several of our counties were not listed in Region 6. Are we still able to serve these counties as we see clients in those areas?

Thanks!
Megan

Subject: 62209 ATA

Hi Megan,

I just visited 62209. She is making her own utility payment for February, and she will not have a rent payment for February. She will be moving the first week of March. We would like to request assistance with her deposit (\$575) and March rent (\$575). I have several questions about this:

First of course, can we request that much, and if not, what is allowed?

The new guidelines do not list Pulaski County as a county we serve. Can we continue with this client since we've been assisting her for a while now? She is moving within Pulaski County. She has come such a long way since we began with her! She is now working, and I

think after getting her off to a start in her new home she will be able to manage.

I believe she was enrolled in April 2016. Will she be eligible for a rent request in April 2017, if needed?

Thanks so much!

Julie
